GFF DISTRIBUTION WILL EXCLUSIVELY DISTRIBUTE BANGBROS TITLES ON DVD

Girlfriends Films Distribution is announcing a new partnership as exclusive worldwide DVD distributor for BangBros.

Moose, President of Girlfriends Films, said, "As someone who has admired the work of BangBros for years, it is truly an honor to have the opportunity to represent such a phenomenal brand. I'm absolutely, completely stoked to be working with Chris and the entire team. We proudly welcome BangBros to the Girlfriends Films family and look forward to the imminent success this new alliance will bring."

Chris Clark of Seaside DVDs said, "When I heard the news, I smiled ear to ear. Patience had prevailed. I felt a sense of relief knowing we had just inked a deal with the best in the business. Moose and I have worked together for years, and having Girlfriends Films representing the BangBros brand was always a priority. Los Angeles is the hub of operations for the industry's most influential companies and Girlfriends Films Distribution is no exception. This was not just about revenue, but also finding a company with the ability to keep the integrity of the BangBros brand and market value secure. Our domestic and worldwide customers will be in good hands. THANK YOU to everyone involved. All my best to Moose and his team."

According to BangBros VP of Content, Rex, "It was an easy decision to team up with Girlfriends Films given their long history in the amateur market. We look forward to moving into the New Year With GFF"

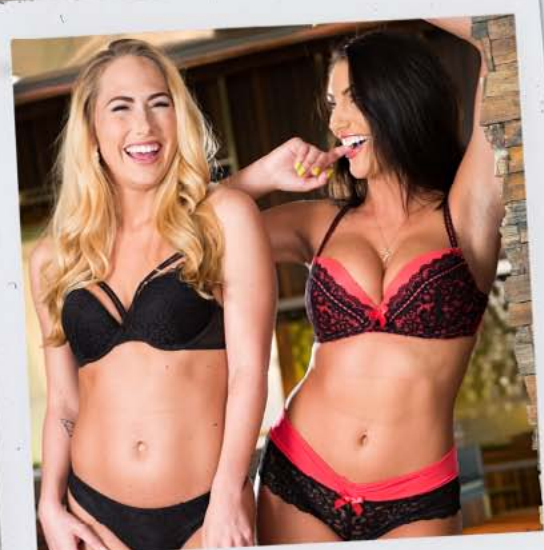

Moose added, "So, if you look at the history of porn, it started like a small community pool. People would come by, dip their toes in, and maybe take a few laps, or sneak into the gate in the middle of the night when no one was looking. Now it's like an ocean of content, there is so much out there you couldn't even navigate the entirety of it in one lifetime. And then within that ocean there are people out there riding the wave, some are making waves, and some are even producing tidal waves that just keep coming. That's what BangBros is; it's like a ginormous tsunami of great porn coming right at you. And I can't wait to harness that incredible energy onto DVD, just like the spiral of a cyclone. And when this hurricane hits, there will be no way to prepare for it. It's going to be incredible."

Fans can expect new BangBros titles distributed by Girlfriends Films to hit stores December 8.

In Memory of
AUGUST AMES

In early December, following a series of tragic events, we lost a highly regarded member of the Girlfriends Films family. August Ames starred in several GFF productions and was loved by colleagues, adored by fans, and valued by many in the industry. We extend our deepest heartfelt condolences to her family, friends, and everyone affected by her loss.

“August had great energy and sparkled when she was on our sets. It didn’t matter how happy everyone already was, she’d make them even happier and liven things up even more. Our ‘Lesbian Sex’ series features real-life interviews between various adult performers. August and Penny Pax interviewed each other for the series this past March. August told what is the most memorable story in my years of this business, and that’s saying something. She attended a Catholic boarding school and described the goings-on between the girls. A Catholic girls’ boarding school is almost a joke when it comes to crazy stuff going on. But August really did attend one and she had the real-life stories to tell! She was a beautiful woman, inside and out. She always wore a smile, and was an energetic and wonderful communicator. Her death comes as a very, very sad surprise. She had great success in this business and will be missed. She was a one-off.” – Dan O’Connell

“August Ames was an amazing person and performer. She first joined the GFF family working with Skow, and went on to star in several of our girl/girl productions. This year she really grew as a standout star and was welcomed and well liked by everyone at Girlfriends. The tragic news of her passing was a shock to us all, and she will be greatly missed.” – Moose

In Memory of August Ames

A beautiful soul who will be greatly missed.

TOP 5 WAYS TO SEXUALLY PLEASE A LESBIAN

One of the most common questions I get asked about being a lesbian is this: “So, how do lesbians have sex?” To me, it’s also one of the best questions; any time I’m given the chance to talk about sex, I’m in. Any chance I have to explain and talk about sex with women, as a woman, even better. I think Most of us can admit that sex is fun, and even those of us who are a little bit more apprehensive about vocalizing that can STILL admit – it’s fun . . . So lets talk about it. How DO lesbians have sex? What are some of the best ways to please a lesbian in the bedroom and what’s the secret to making a female orgasm so hard just from the touch and power of another female?

First and foremost I’d like to take a minute to address that while having sex as a lesbian is defined in many different ways, by many different people, I myself define it as this: so long as both parties are receiving at some point . . . it’s sex. You can have sex as a lesbian just as easily as heterosexuals manage to have sex; penetrative sex, oral sex, anal sex, Not to mention . . . everything in between. To address the usage involving toys . . . you can have sex as a lesbian with out toys as easily as you can with. And trust me, it’s just as satisfying. Toys are great, but nothing is more pleasing and fulfilling then pulsing against the fingers of a woman as she works them inside of you, just as nothing is more pleasing than feeling the body of beautiful woman shake while your face is pressed between their legs – it’s this constant crave waiting to be had.

I’m not going to lie, I’ve had some wild and kinky sex with women before. The pinning against the wall, rough scratches down each other’s backs, the kind that says “I’m just looking to throw you around a bit”, “make me scream”, “do as you please” sort of speak. As fun and exciting as this is, I wouldn’t consider it to be exactly ‘pleasing’.

When I’m asked what it is about men I don’t like, the answer is usually “nothing.” And that’s the truth. There is simply nothing about men that I dislike, but there IS something about women that I do and it’s that they are sensual. Sure, I have my own body to examine, but there is nothing I crave more when looking to fill pleased in the bedroom than to caress the soft body of another female. Another ultimate pleasure filled satisfaction about having sex as a lesbian is the communication. I know, you would think knowing what the other likes is quite simple since females both have Vaginas, but boy is that wrong. Truth is, it isn’t as easy when you don’t have a penis involved – you actually have to communicate about what works for you or doesn’t. Tell me what you like, I want to hear you whisper in my ear to slip another finger in, let me know what’s going to make you so wet, you drip down to my wrist. Communication is key anyhow, but it definitely makes sex more pleasurable.

Sex is fun. Sex is so fun, and so I continue to repeat that. Females want to feel this experience and that’s the secret. Women with women take their time; they cover every inch of your body with their lingering touch from their fingertips to their lips and they make sure to cover your naked body as so. Truthfully, sex between two women can be a bit challenging. Sometimes, you want to be closer then you can get – despite certain positions bringing your body together – it can be frustrating to feel like you have a constant arm in between your bodies. It can be frustrating to lack the ability of having two hands available to hold someone closer at all times so the touch of the body in all places is important. In fact – I would say men have it lucky. And though at times, I’d say I even wish to be a man for sex purposes only – I still would never desire the touch of a man over the exotic bliss of a woman. I would take the frustrations of not being close to the female body just to have every fantasy filled by the soft pleasures of a woman.
