# KISS ME, I'M A LESBIAN.

We all know that March is an Irish favorite month but have you ever considered it to be a lesbian's? At first, I found the thought of this to be quite puzzling and then it hit me when I saw a shirt for sale in honor of St. Patrick's Day that read "Kiss Me, I'm a Lesbian." Suddenly, it all made sense and I found myself praising whatever lesbian came up with such an easy way to get attention, and play some games that might be considered a little outrageous or different for everyone's liking.

This holiday provides many opportunities for role playing during sex. If you're not wearing green, a little consensual 'punishment' in bed can be a nice consequence for those who can't follow tradition. And on the other hand, if you are wearing green it's a tell-all sign of good luck coming your way. If you ask me, they both sound like a hint of good luck but I'd choose choking, biting, and spanking to replace a bit of pinching first. With all that's enticing, it seems like a much better way to make me not want to wear green on St. Patrick's Day. Have fun with your significant other while you're doing this. Fill the "pot of gold" with all of their favorite toys such as vibrators, plugs, clamps, and strap-ons. Hide it around the house and tell her that in order to have that "luck of the Irish" mentality, she has to be good and search for the pot of gold; there's no crossing the rainbow without it. On St. Patrick's Day, treat the holiday like a second Valentine's Day, only do it with many, many incentives added to the ending.

I went out to the gay area where I live a couple years back on St. Patrick's Day and I picked up very quickly how small of pride lesbians have in June compared to the Irish lesbians in March. When they say it's the luck of the Irish, they aren't kidding. Who doesn't want to reach the pot of "gold" at the end of the rainbow? A holiday where you get to celebrate the hype of having sex, the suspense leading up to it . . .A holiday where you get to cum, and have a screaming orgasm? (I thank my girlfriend for introducing me to the idea of role-playing in this one). Opening yourself to something new on this holiday may just change the game for the way you define "luck of the Irish."

S.Tylene is a 26 year old, out and proud lesbian who was born and raised in Los Angeles, California. Identified amongst thousands of other gender-fluid millennial's, she has attended multiple pride gatherings, newly presented HER events – taking on a position for the Long Beach HER team, and other popular LGBT gathering's in the cities and different states.

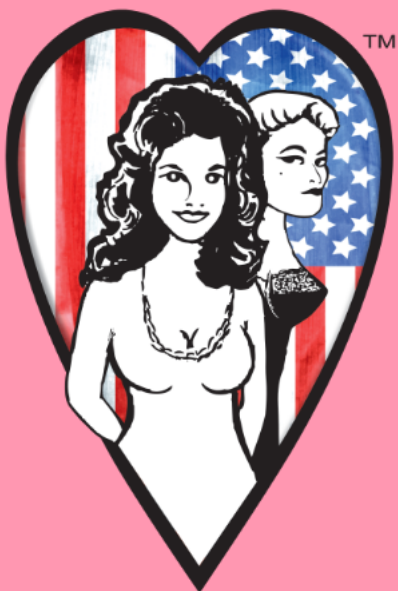

## Sinn Sage Returns in Bad Lesbian 12!

New release *Bad Lesbian 12*, directed by Serene Siren and produced by B. Skow, marks the return of Sinn Sage in her first *Girlfriends* appearance since *Women Seeking Women 128* in 2016. “Sinn Sage returns to the *Girlfriends* Films family for the first time in many long years,” the director exclaims. “Her scene with Janey Doe exhibits a domination style strap-on and flogging element which was very exciting!” The cast is comprised of a mix of new and returning performers including Sinn Sage, Dava Foxx, September Reign, Crystal Clark, Janey Doe, Ashley Wolf, Ashlee Juliet, and Halle Hayes.

## GIRLFRIENDS FILMS PAUSES PRODUCTION

In early March, *Girlfriends* Films announced a temporary hold on production amid concerns about the COVID-19 Coronavirus following a declaration by the World Health Organization about the global pandemic.

“After careful thought and consideration for the safety and well-being of talent, crew, and everyone involved with producing our films, we have made the decision to hold production for 30 days,” said President of *Girlfriends* Films, Moose.

“Until then, we encourage everyone to follow protocols and stay safe. We look forward to seeing all of you back on set when the threat has subsided.”

Production is expected to resume sometime in April. Until then, *Girlfriends* Films is working diligently to remain on track with releasing films currently in post-production and to maintain the integrity of our online content. Fans can enjoy new releases at the video on demand website, and new scenes will continue to be added to the membership website.
