Interview:
Katie Kush**

GET UP CLOSE AND
PERSONAL WITH
BAD LESBIAN 14
STAR KATIE KUSH
IN THIS EXCLUSIVE
“GIRLFRIENDS ON THE
SCENE” INTERVIEW!

GFF: This is your second appearance in a row in the Bad Lesbian series. How are your characters in Bad Lesbian 13 and Bad Lesbian 14 different (or similar)?

KK: My roles in Bad Lesbian 13 and 14 were completely different. In 13, I was a bit more submissive, shy and shocked when the sex ensued. In 14, I was more assertive and sassy, of course until Karla started dominating me and taking over control.

GFF: Which role do you think was more of a "Bad Lesbian," in Episode 13 or 14?

KK: In my opinion they each had their own characteristics that made it a "Bad Lesbian" vibe. Episode 13 was [set] at work, so that makes it naughty. However, I would say Episode 14 was more of a "Bad Lesbian" vibe because Karla and Charlotte were two crime-committing bad girls and I had to stand up for my friend, Penelope, and be a strong woman who ends up becoming very attracted to the "crime committing lesbian." I find that to be more on the "Bad Girl" side, more mischievous.

GFF: Prior to your scene with Karla Kush in Bad Lesbian 14, had you ever worked together before?

KK: This was my first time having the honor of working with Karla Kush.

GFF: What were you looking forward to most about working with Karla in this scene?

KK: Working with Karla for the first time, I was looking forward to seeing how our chemistry would be together, and I found that chemistry to be very hot and passionate.

GFF: Please give us three words to describe your new scene in Bad Lesbian 14.

KK: Three words that describe my new scene is Bad Lesbian 14 are:

Steamy - Wet - Messy

GFF: What did you like most about being on the Girlfriends Films set, and your interactions behind the scenes?

KK: I love shooting for Girlfriends Films any chance I get. The energy on set is always positive, everyone is always treated well and taken care of. We all share good laughs and create amazing memories. Thank you for always providing a comfortable safe space for work and creativity.

GFF: Is there anything about this scene in Bad Lesbian that makes it unique and a must-see for fans?

KK: This new scene is a MUST see because it is the first time the Kush's have shot a scene together and the chemistry between us both was VERY energetic.
